1861-1943 - 2013-01

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**Private International Law. a Treatise on the Conflict of Laws** - Friedrich Karl Von Savigny - 2020-04-22

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

**A Treatise on the Conflict of Laws** - Joseph Henry Beale - 1916

**A Treatise on the Conflict of Laws** - Joseph Henry Beale - 2015-12-13

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Private International Law in Nigeria** - Chukwuma Okoli - 2020-06-11

This book examines the rules, principles, and doctrines in Nigerian law for resolving cases involving cross-border issues. It is the first book-length treatise devoted to the full spectrum of private international law issues in Nigeria. As a result of increased international business transactions, trade, and investment with Nigeria, such cross-border issues are more prevalent than

ever. The book provides an overview of the relevant body of Nigerian law, with comparative perspectives from other legal systems. Drawing on over five hundred Nigerian cases, relevant statutes, and academic commentaries, this book examines jurisdiction in interstate and international disputes, choice of law, the enforcement of foreign judgments and international arbitral awards, domestic remedies affecting foreign proceedings, and international judicial assistance in the service of legal processes and taking of evidence. Academics, researchers, and students, as well as judges, arbitrators, practitioners, and legislators alike will find Private International Law in Nigeria an instructive and practical guide.
